

Commitment to Workplace Health & Safety

EVO is uncompromising in our commitment to the health and safety of our employees, our vendors (including business partners, suppliers and trade partners), the public, and other stakeholders. We expect our vendors and any other third parties with whom we do business to share our commitment to workplace health. Our policy is to provide and maintain a safe, healthy and productive workplace for all our employees that complies with all applicable laws, regulations and internal policies.

LEADERSHIP

The CEO and the executive leadership team are responsible for ensuring that the safety and health of our employees is a top priority and that we comply with any applicable safety standards, laws or regulations.

SITE SAFETY

EVO has a designated General Manager or Office Leader at all of its locations who works with our Business Continuity and Disaster Recovery department and Human Resources department to ensure that we proactively communicate, prevent and react to any safety or health issues.
